SENIOR CLASS HISTORY

1948-1949

In September, 1948, the class of 1952 began their high school days with 16 classmates. They were as follows: Phil Hand, Eleanor Ray, Jean Sprowls, Lynn Linaweaver, Edith Marie Newman, Russell Hansen, Dallas Hopkins, Mary Catherine Sullivan, Andrew Peed, Marlene Johnson, Marvin Cunningham, Eileene Chasteen, Marvin Van Meir, Shirley Sipes, Kathleen Jones, and Dennis Morrasy.

The class held their first meeting under the direction of Mrs. Burgess and the following officers were elected: President—Marlene Johnson, Vice-President—Jean Sprowls, Secretary—Eileene Chasteen, Treasurer—Kathleen Jones, Sergeant-at-arms—Russell Hansen.

The Freshman initiation was held on September 19, 1948. The boys were dressed in diapers to represent babies, and the girls wore long underwear.

Their class colors were chosen as blue and gold and their flower a yellow rose. The banner was presented to the assembly by the class president.

The first class party was held at the Coal Creek Country Club. The second party was in the gymnasium and games of basketball and volley ball were enjoyed.

The class dance was an event of December 23, 1948, in the high school gymnasium. Music was furnished by Julian Heene and his orchestra. The gym was decorated in the Yuletide tradition.

During the year the class lost two members, Mary Catherin Sullivan and Andrew Peed. Steve Speakman joined the class from Annawan, then Carol Thompson joined for the second semester.

1949-1950

Fifteen classmates returned for their second year of high school. Carol Thompson did not return. Their sponsor was Mr. Host and the new ofifcers were elected as follows: President—Lynn Linaweaver, Vice-President—Dennis Morrasy, Secretary—Dallas Hopkins, Treasurer—Phil Hand, Sergeant-at-arms—Russell Hansen.

Another class party was held at the Coal Creek Country Club and the second one at the skating rink in Kewanee.

Again the class had a Christmas Dance held December 23, 1949, with Julian Heene and his orchestra.

1950-1951

Returning for their Junior year came 15 classmates. The class lost Dallas Hopkins and gained Marvin Frank. Mary Catherine Sullivan returned in March and James Griffith entered the class in November to leave again in December.

Miss Kuczera was named sponsor with Mrs. Peterson as co-sponsor. The officers were elected as follows: President—Lynn Linaweaver, Vice-President—Marvin Cunningham, Secretary—Kathleen Jones, Treasurer—Marlene Johnson.

The parties the class attended was a show in Kewanee and skating at the rink in Princeton.

The year proved to be a very active year for the junior class. The class sold milk and candy during the noon hour and popcorn, candy and pop at games. They also sold blue and gold basketball pencils during the year.

The class presented their play April 6 under the direction of Miss Dorothy Wambaugh. The play was "The Inner Willie."

A prom and banquet was given in honor of the Seniors on May 17. The theme was "Moonlight and Roses."

A member of the class, Eileene Chasteen, was elected cheerleader. The class was well represented in various field of sports. Marlene Johnson was chosen to attend Girls State in Jacksonville.

1951-1952

As the fall of 1951 came, also came 17 Seniors. Clara Gibson has entered the class from Wyanet. Officers were elected as follows: President—Marvin Van Meir, Vice-President—Dennis Morrasy, Secretary—Shirley Sipes, Treasurer—Edith Marie Newman. Miss Kuczera was again chosen class advisor.

The Seniors initiated the Freshmen on September 18.

The dance was held September 21 after a football game with Tiskilwa. Music was by Walter Lauterback and his orchestra.

Their first class party was held September 29 at the skating rink in Princeton. Mr. and Mrs. Radunzel chaperoned the party as Miss Kuczera was unable to attend.

October 3rd found the Seniors out selling ads for the yearbook.

The class chose "Ready Made Family" as their play which they gave November 16. At that time a bouquet of red roses was presented to the director, Mrs. Shull.

The Typing II Class composed of eleven seniors put out a monthly newspaper called "The Cardette".

Six members of the Senior Democracy Class presented a debate for the P. T. A. meeting, January 14. The debate was "Should Women be Drafted for Civil Defense Work?" Those debating on the negative side were Shirley Sipes, Edith Marie Newman, and Mary Catherine Sullivan. On the affirmative side were Phil Hand, Pete Van Meir, and Lynn Linaweaver.

The Seniors are looking forward to another class party, the Junior Senior Prom and the Senior trip, and also their careers at the end of the school year.

SENIOR CLASS PROPHECY

Hello folks, we are greeting you from the Linaweaver Winter Resort. Mr. Linaweaver, being a member himself, has invited the class of "1952" as his guests. He seems to have made quite a thing out of this resort. Starting only with a sled and a pair of skiis, he has enlarged the resort to one of the largest in the state of Wisconsin.

As we walk around the premises we find the former Eleanor Ray, and her husband Ivan Mark, preparing to take a ride in one of the many sleighs. We notice a very distinguished gentleman already in the sled. Why, its none other than that famous usher, Mr. Phil Hand, who owes his entire and most successful career to his old job back at the "Royal" theater in Sheffield, Illinois.

As we walk a little further we see Miss Kathleen Jones, Miss Edith Marie Newman and Mr. Dennis Morrasy, who have made great starts in the teaching porfession. Miss Jones is now principal of the new high school in Sheffield. Mr. Morrasy, who is head English instructor, and Miss Newman, Head Physical Education Instructor, have been employed at the same school for four years now and are making quite a record for themselves.

Mr. Steve Speakman, the world's most famous professor of commercial studies, specializing in bookkeeping, arrived with skates in hand, daring the ice.

Mr. Russell Hansen has been seen demonstrating to a group how he acquired the world's most undeveloped Weight Lifter's Championship.

We notice that in one of the vacant lots, quite a crowd has gathered. Let's go over and see what's going on. Why, it's Mr. Marvin Frank and his wife, the former Cheryl Jones of Sheffield. They are demonstrating their ability to train white horses. Mr. and Mrs. Frank have made themselves quite well known throughout Illlinois by the performance of their white horses, which they train on their 1,000 acre farm north of Sheffield.

We have just received a telegram from Miss Jean Sprowls that her arrival will be delayed, due to the fact that she has been unable to locate her chauffer for the trip up to the Linaweaver Resort.

Off to my right can be heard the loud bellowing of a moose. Wait a minute; No, I'm wrong. It's Mr. Marvin Van Meir, the famous star of the "Can You Top That", now a nationally broadcasted program. Mr. Van Meir got his start by his boisterous stories at the Sheffield High School.

Here comes the former Clara Gibson and her husband, Mr. Robert Lee Oloffson. They are residing at their home in Wyanet. Mr. and Mrs. Oloffson were married right after Miss Gibson graduated and have raised a family of four. They are planning to move to Georgia before too long.

Well, here's Doctor Sipes. Miss Sipes started her study as a chiropedist (foot specialist), after her many hard years of misery during her high school days.

We have just spotted the noted fashion designer and model, Miss Eileene Chasteen. Miss Chasteen designs and models her own clothes and has started a string of ladies clothing stores throughout the country. Miss Chasteen got her start as a designer, due to her deep interest in fashions as a teenager.

Admiral Cunningham and his wife, the former Marlene Johnson, have just arrived with five of their ten sons, to prepare the lunch to be served after the arrival of all the guests. Admiral Cunningham has been stationed aboard the U. S. S. Cunningham, which he himself designed and built.

The day was brought to a close with a grand and glorious music concert, conducted by the famous concert and orchestra leader, Miss Mary Catherine Sullivan. Miss Sullivan played a mean clarinet during her high school years and majored in music while in college.

We hope that we can all return to Mr. Linaweaver's resort 10 years from now. Until then, good-by all!

FRESHMAN INITIATION

September 18 was a day for sights at school. That was the day of the Freshman Initiation.

The boys wore short dresses with one corner pinned up showing the corset and hose they wore. One leg had a hose on, while the other was bare. The bare foot had a high heel shoe and the stocking foot had on a tennis shoe.

The girls wore tights and halter on top of long underwear worn backwards. Their hair was pinned up with pinch clothespins.

The new teachers were also dressed for the occasion. Mrs. Shull wore her bright colored bathrobe over overalls, with bedroom slippers. Her hair was half pinned up with the other half not pinned.

Mr. Radunzel was a shepherd with a long cape and wore an old straw hat. He carried a staff.

Miss Hopkins wore a skirt and a man's shirt with an old straw hat.

Everytime the freshmen saw a Senior they all bowed down and touched their toes three time while saying, "I bow down to thee, most honorable Senior."

If you were around in the evening, you may have thought Arthur Godfrey had moved his radio station here. If you took another look you would have seen it was only the seniors initiating the freshmen.

Marvin Van Meir did a good imitation of Arthur Godfrey although you'll have to admit there's quite a difference in looks—in favor of Pete, of course!

The seniors acted as the Talent Scouts. Each introduced his talent, who was a freshman, and told the audience where they found this person and what he would do. Many freshmen were surprised to find out just what they could do.

Before we got the show rolling we had the Cardetts singing "Shine on Harvest Moon." The Cardetts we found out were Helen Cathelyn, Martha Nutter, and Marilyn Stonewall.

First to discover his talent was Wayne Smith. It seems he had just come back from Honolulu and had brought with him a grass skirt so he was very anxious to show us what Jeanette Davis had taught him about doing the Hula Hula.

Then Marilyn Stonewall and Helen Cathelyn, both from Dingly, showed us how to Charleston. They did very well considering their long tight skirts.

It seems that Bobby Ted Johnson skipped showers one day. But don't worry, he made up for it by having Sharon Thomas give him a bath right on the stage. (Never fear! Never fear! His clothes stayed on!)

We had all kinds of people with us that night. Yes, even a famous manicurist, Russell Chasteen. He gave a demonstration for us, but due to some delay, his utensils did not arrive on time. He was forced to borrow some. It seems that nobody could find

just what he wanted so he had to take what he could get, which was: a pan of water, 1 chisel, 1 hedge clipper, 1 pair of rusty shears, 1 file, and nail polish.

Some of the freshmen were talented at the most unordinary things. For instance, Roland Fisher was an expert on finding lost persons. He didn't do so well that night, however, for he didn't seem to be able to find Horatio. We'll have to admit though, that he called loudly enough. Horatio must have stayed home and listened to Arthur Godfrey on the radio.

It seems even the freshmen still enjoy kids' games. Ruth Ann DeFreezer and Kenneth Riggs did a little teeter-tottering for us. Oh yes! They were great singers too. They could even sing "Come Josephine in My Flying Machine" while they were going up in the air on their home-made teeter-totter.

There seems to be an acrobat in every show. Charles Young was a great jumper. He jumped off a board 100 feet in the air blindfolded. He could even touch the sky when he reached high.

We even had a trained seal on our show, Lois Sipes, by name. She balanced a ball on her nose, after great practice, of course.

We also had some great singers on our show, but it seems they couldn't sing without sitting on each other's lap. Naturally we all wanted them to sing so that's just what Camille McCune and Wayne Smith did. First, Camille sat on Wayne's lap and sang "I'm in Love Again." Then Wayne sat on Camille's lap and sang "I Get Ideas."

The youngest of our talented people was Larry Nutter. He was dressed up like a baby and acted like one too. He sat on a small can and put on his baby bonnet while he sang, "Put on Your Old Grey Bonnet." Our little baby could balance himself on the can with his feet off the floor. Pretty good considering the age.

Marlene Driessens was a talented lover. She tried to convince Roland Fisher that he should leave his present girl friend and go with her. Roland was a little hard to convince and Verleigh Cunningham came to his rescue.

A great musician was present with her monkey. She was Martha Nutter who played the tuba. The monkey's name was Kenneth Riggs. The audience enjoyed them so much that we asked them to go out into the audience and play.

Since each of the boys had on a bathing suit under his clothes, we thought it would be nice to have a Bathing Beauty Contest. The audience were the judges. We had two boys who were so good we decided to call it a tie between Wayne Smith and Roland Fisher. Their award was to direct the freshmen in singing "School Days."

Thus ended our Radio-Television show and we would like to thank all the freshmen for being such good sports.

FOOTBALL

Twenty candidates were out for football at the first of the season. The Co-Captains were Marvin Van Mier and Russell Hansen.

The first game of the year was with Manlius, which turned out to be a tough battle and Manlius came out on top with the score of Manlius 24, Sheffield 0. However, that didn't discourage us when we scraped over Tiskilwa 13-18. When the Cardinals went to Bureau Township, where every one got to play, tthey rang up a score of 52-20. For a Homecoming we were without the aid of five varsity men. Sheffield breezed past Malden's "8" with the score 19-7. LaMoille gave the Cardinals a few bad moments before they got on their feet and scraped past the Lions with 25-18.

Sheffield stood second place until they ran up against Wyanet when they bowed to 13-19. The following week the Cardinals met with Neponset, with Gentry, Van Meir and Nutter doing the ball carrying for Sheffield. Score Sheffield 33, Neponset 13. Ohio, the Champions of the little "8", came upon Sheffield next with Van Meir making the Cardinals lone touchdown. Ohio raced over the Cardinals 48-6. The final game was with Buda which came to be the biggest upset of the year, it was the traditional "neighborhood" battle for the two teams. Buda came out on top with 14-13.

Russell Hansen and Marvin Van Meir have received the honor of being on the little "8" all star football team.

BASKETBALL

This year with our new Coach Fred Radunzel and the return of two major letter winners of last year, and co-captains this year, we did very good with a tie for fourth place in the Little "8".

In our first game with LaMoille, we had a tough time. Going into an overtime at 50-50, the Lions bit us with the score of 56-55. The next week Wyanet came to play us, and went home with a victory of 66 to 44. When we went to Neponset, in spite of bad weather, but lost a hard fought battle. The following week we had a hard battle with the Bulldogs of Ohio. Although we came close in the fourth quarter, we lost 76-61.

The Cardinals won their first victory when the Buda Bears came to Sheffield. The score was 61-51. In the Manlius game, Sheffield stayed ahead until the third quarter, then the Red Devils squeezed past the Cards to win a 50-45 victory. At Tiskilwa, the Cards won over the Indians 49-47. The next two games were won by the Cards with a good standing. The first game was with Bureau Township, 62-51. The final game was with Malden in their gym, where we won with the score 66-46.

In the Little "8" Tourney at Tiskilwa, Sheffield came out with third place by winning over Bureau Township. In the District, we were beaten out by Annawan the first night in a thrilling game. The score was 55-57.

Wendell Smith came out with 146 points of the year, getting second place in the Conference for the 1951-52 season.

GIRLS' ATHLETIC ASSOCIATION

The G.A.A. has been organized at Sheffield High School since the approximate year of 1943. Each year all of the girls who took physical education were automatically made members of the G.A.A. Throughout the previous years, a private initiation has been given the girls from the sophomore class, who are first becoming members, mainly to get them acquainted with the rest of the members.

Each year new officers are elected. The officers of 1951-52 were: President, Lorraine Beyn; Vice-President, Mary Johnson; Secretary and Treasurer, Marie Giltner; Sponsor, Harriet-Ann Kuczera.

In order to raise money to help send two girls to G.A.A. camp at Lake Bloomington, Illinois, and to have money for G.A.A. parties, the girls sponsored a dance on October 26, music by Chuck Harney. A bake sale was also sponsored by the girls.

During the year, swimming and bowling parties were part of the G.A.A. activities. A play day was given at Walnut High School for those who wanted to attend. Girls' basketball, volleyball and badminton were some of the games the girls played.

The girls partook in many activities such as: bicycling, bowling, coasting, golf, horse back riding, skating, skiing, swimming, tennis, and walking to gain points. Each of these points were earned by the members on their own time. Other activities such as stunts were witnessed by the girls and the sponsor in order to gain points. The points gained by these various activities helped each girl earn the award she was working for at the beginning of the school year.

The girls who attended G.A.A. Camp last summer were Mary E. Johnson and Shirley Sipes. This year's campers will be Lorraine Beyn and Marie Giltner.

GRADE SCHOOL ATHLETICS

The first baseball game was held at Sheffield, and after one inning Walnut went home the victors, due to a heavy rain storm. The score at the end of the first inning was Walnut 3, Sheffield 0.

Sheffield won the second game after an extra inning to break the tie with Wyanet. The final score was Sheffield 3, Wyanet 2.

The third game was also an exciting one for the Sheffield team, downing a stiff Neponset team by a score of 7-6.

The final game was with Walnut during the county tournament. Walnut won the game 13 to 8.

Wayne Smith took fifth place in the shot put, Charles Young took fifth place in the pole vault, and Russell Chasteen took forth place in pole vault.

SECOND GRADE

Second grade began school with an enrollment of twelve children, five boys and seven girls. on Friday, August 31. Then on Wednesday, September 5, we were happy to welcome back Michael Babcock, who had returned from the state of Washington. Michael stayed with us until the beginning of our second six weeks period and was transferred to Princeville school. On October 15, Jackie Pease enrolled in our room. He came from Viola, Illinois, so we again have six boys and seven girls. Our attendance this year has been above average in spite of our severe winter of much ice, snow and sub-zero weather. Roger, Janet, Mary, Alice Marie and Jackie had the chickenpox.

This class is exceptionally good in reading. Besides the text books they read the supplementary readers entitled: *Hello David*, *Some Day Soon*, and *What Next* (*Part I*). The first semester Johnny Standard, Leslie Duryea, Alice Larson and Janet Helberg read over fifty Reading Circle books. Carol Ann Rosenow has had perfect attendance so far this year.

The beginning of the second semester is an important time for the second graders. They make the transition from Manuscript writing to Cursive writing. It gives them an all important grown up feeling and their efforts are unbounded.

This class have been a happy group. They enjoy working, especially reading. In science, they enjoyed doing experiments and finding leaves, rocks, insects and cocoons. They enjoyed the many number contests and "spell downs." They enjoyed the game and rhythm exercises in the gym during Physical Education period. Above all the majority enjoyed their 20 minutes of music with Mrs. Johnson. Most of the children have good voices as was shown by the "Singing Christmas Tree" which was their donation to the Christmas Program.

Due to cold rainy weather we did not get our Halloween masquerade march through town but we had our usual party at school. Prizes were awarded to: David, for the funniest—an old man; Leslie, the scariest—an ape with a banana; Susan, the prettiest—a gypsy fortune teller. In the evening the Lions Club gave the whole school a party and David again won a prize.

Row One: Kay Taylor, Diane Marie Hortega, Susan Clay, Billy Rosenow, Gene Morman, William Cogger.

Row Two: Jimmy Riggs, David Van De Velde, Carol Jean Sprowls, Gary M. Van Meir, James Blosser, Linda Carlson.

Row Four: Joseph Michael Vander Meersch, Esther Price, Paul Hansen.

FIRST GRADE

The first grade for the year of '51-'52 registered on Friday, August 30, with an enrollment of twenty. About a week later Diane Hortega joined us. We kept this number until the Christmas holidays when James Blosser left for Sarasota, Florida. Our number did not decrease, for after the holidays, Dellis Lambert came from the Irving school in Kewanee to join our ranks. Frank Brown of Galva is with us now was a temporary pupil.

We are enjoying our work, learning to read, write, count, and playing the guessing games in our work books.
